# COTTAGE HOSPITAL

—o—

## REPORT of the EXECUTIVE COMMITTEE for the YEAR 1937.

—o—

THE COMMITTEE have pleasure in presenting the Twentyfifth Annual Report of the working of the Institution.

**Accommodation and Staff** The present accommodation for in-patients is Eleven Beds, Two Cots and Three Private Wards.

The Hospital Staff consists of the Matron, Sister-House-Keeper, 4 Staff Nurses, 3 Probationer Nurses, 4 House and Kitchen Maids and a Porter-Gardener.

Under the guidance of Miss Hunter the working of the Hospital has been conducted in a highly praiseworthy manner. The subscribers have every cause to be grateful to her and to her Nursing Staff for the zealous and cheerful manner in which they have attended to the needs and comfort of their patients, who invariably pay eloquent tribute to the treatment received by them and to the high standard of the Hospital's dietary and cooking.

**Medical Staff.** The Local Medical Staff consists of Drs. A. W. Allan, M. Backwell, W. Brownlie, D. F. Menzies, J. D. O'Neill, A. S. Paterson (Hogsthorpe), B. Sweeten and T. R. Wilson (Wainfleet), who have been in regular attendance during the year.

**In-Patients** During the year 1937 the number of in-patients was 381. viz., 173 male and 208 female, an increase of 13 as compared with the previous year. Of these cases 322 were surgical, 46 medical, and 13 maternity. 192 general anæsthetics were administered, and 192 operations were performed, as compared with 261 in 1936.

45 persons were admitted during the year suffering from injuries received in road and other accidents. The 1936 total amounted to 56.

There have been 18 deaths (13 male and 5 female) and the causes of death were as follows :—Intestinal obstruction, 4. Diabetic coma, 4. Empyema, 1. Pneumococcal peritonitis, 1. Dermoid cyst of uterus, 1. Broncho-pneumonia and cardiac, 1. Acute cholecystitis, 1. Fractured pelvis, intestinal hæmorrhage and lacerated leg, 1. Cerebral abscess, 1. Perforated duodenal ulcer, 1. Uræmic fits, 1. Acute bronco-pneumonia, 1.

These deaths took place :—

In 4 cases	on day of admission
„ 9 „	1 day after „
„ 1 case	2 days „ „
„ 1 case	4 „ „ „
„ 1 „	7 „ „ „
„ 1 „	8 „ „ „
„ 1 „	13 „ „ „

**Out-Patients.** The out-patients numbered 307. 199 operations were performed, 94 general and 24 local anæsthetics were administered, and 2010 dressings were given.

**X-Ray Dept.** During the year 194 X-Ray cases have been dealt with, as compared with 166 in 1936. The Scale of charges is extremely moderate, and is as follows :—

Ordinary cases	from 7/6 per plate, according to size.
Special Cases (Thorax, Kidneys, etc.)	from 10/6 per plate, according to size.
Barium Meals	£2/2/0
Panel patients and	

Weekly Contributors 7/6 per plate for all cases.

These fees, which are payable at the time of examination, may be reduced by the Committee where desirable or necessary.

**Maintenance Account.** The Maintenance Account for the year shows an Income of £3252/5/7½ and an Expenditure of £3023/17/5½. The Balance in hand at the close of the year was £640/2/3½.

The Expenditure works out at an average cost of £7/18/8½ per patient, and the average stay in Hospital of each patient has been 10½ days.

Patient-days reached a total of 4062, as compared with 4236 in 1936 and 3996 in 1935.

The cost per bed per week amounted to £3/12/8, as compared with £3/11/3½ in 1936, and the cost per patient per week was £5/4/2½, as compared with £4/18/0 in 1936.

**Obituary.** The Committee record with regret the death of Mr. Samuel Moody, who had served on the Executive Committee since the foundation of the Hospital in 1913. Mr. Moody was identified in many directions with local public life, but until his health broke down there was no one more consistent in attendance or more anxious to promote the Hospital's welfare.

**Mrs. V. P. Druce.** The recent departure from Skegness of Mrs. V. P. Druce has involved her resignation from the Presidency of the hard-working Ladies' Committee, of which she had been a member since 1927 and President for the

past five years. The Hospital is thus deprived of one of its most ardent and generous supporters, and her absence from active participation in its management will be severely felt.

Perhaps it is not generally known that Mrs. Druce has made herself responsible for some years past for the upkeep of the Hospital garden, while numerous other proofs of her great generosity might be cited, which are known only to those closely associated with the control of the Hospital's affairs.

### **Extensions.**

The amended plans of the Hospital's Extension Scheme adopted by the Committee make provision, among other features, for new Male and Female Wards and for a separate Maternity Block, at an estimated cost of £15,660, exclusive of architects' fees, furnishing and equipment.

An appeal for the requisite funds was widely circulated early in the year, while publicity for the scheme has also been secured through the medium of the local Press.

During 1937, £3009/3/9 has been received from donations, special efforts, etc., bringing the total cash available at 31st December, 1937, to £3920/18/2. To this must be added promises of donations amounting to £289/14/0, making a total raised and promised of £4210/12/2.

The 1937 list of donations, etc., which includes many notable items, will be found on page 59 of this Report. Obviously, the Committee cannot yet be regarded as justified in embarking on a scheme of this magnitude, and they earnestly and urgently appeal for sufficient further funds to warrant a commencement of building operations, the need for which becomes daily more and more pressing.

### **Rose Day and Dinner Table Collections.**

Last year reference was made in this Report to the difficulty of finding words adequate to express the Hospital's indebtedness to Mrs. B. H. Foster for her splendid work as Hon. Secretary of the all-important Ladies' Committee, with particular mention of her organization of the Rose Day and Dinner Table Collections. That lady would appear to be determined to turn what had already proved a difficulty into an absolute impossibility, as once again she has succeeded in breaking all previous records for the Collections mentioned.

The formidable task of organization was cheerfully faced by Mrs. Foster, with the ready assistance of other members of her Committee, and the results achieved are the best evidence obtainable of the thoroughness and efficiency with which the necessary arrangements were carried out.

It is with real pleasure that the Committee offer their cordial thanks and congratulations to Mrs. Foster and to the enthusiastic band of helpers who have assisted her in raising such a magnificent sum for Maintenance purposes. Mrs. Foster would be the first to desire special mention made of the invaluable help again received on Rose Day from the patients of The Derbyshire Miners' Convalescent Home and the National Deposit Friendly Society Memorial Home.

The Rose Day Collection was made up as follows :—

	£	s.	d.
Skegness & Winthorpe	251	11	9½
Chapel St. Leonards -	19	11	8½
Burgh - - -	7	4	9
Ingoldmells - -	3	10	2½
Orby - - - -	1	7	6
	283	5	11½
Less Expenses -	49	4	0
	£234	1	11½

The previous record was £230/9/3½ in 1936.

The Dinner Table Collection taken at the principal Hotels, Boarding and Apartment Houses, Holiday Camps, Cafés, etc., on August Bank Holiday Sunday yielded £348/8/5½, as compared with the 1936 record of £335/5/10½. The valuable co-operation of those who cater for the visitors to Skegness, given at what is for them the most strenuous period of the year, is deserving of commendation and acknowledgement.

**Hospital Ball.** The 14th Annual Hospital Ball, held in January, 1937, was again organized by Mr. W. Edwin Furniss with his customary efficiency. Bad weather and an exceptional amount of illness, however, considerably affected the patronage of this popular function on this occasion, and the resulting surplus of £71/1/7 inevitably fell below that of the previous year, when a record of £90 was attained.

In expressing the hope that future Balls may be held under more favourable auspices, the Committee tender to Mr. Furniss and to the members of the Ladies' Committee, who collaborated with him in the catering and other arrangements, their warm thanks for a handsome contribution to the Extensions Fund.

**Offertories.** The receipts from Offertories totalled £25/11/0, as compared with £44/5/5½ in 1936. The total comprises five offertories only, and the Committee cannot refrain from the comment that receipts under this head should be much more representative of the many places of worship within the district of 14 parishes served by the Hospital.

**Sundry Collections.**

The Sundry Collections totalled £1385/8/10, as compared with £1253/8/0 in 1936, prior to which the highest receipts from this source had amounted to £953/17/0. When it is remembered that the proceeds of many efforts, which ordinarily would have been devoted to Maintenance, have been diverted by the promoters to the Extensions Fund, the increase is all the more encouraging, and is an indication that the provision of efficient Hospital services evokes the appreciation and practical help of the general community.

The Sundry Collections total includes Rose Day and the Dinner Table Collections already referred to, together with other handsome contributions of which details will be found on page 53.

**Pound Day.**

Pound Day in Skegness yielded £34/8/7½ in cash and 321½lbs. in kind, as compared with £17/10/9 in cash and 351½lbs. in kind in 1936. As in previous years, the erection of stalls for the reception of gifts was kindly permitted on sites fronting Hildreds Hotel and Barclays Bank. The various arrangements were undertaken by Mrs. A. W. Allan with the assistance of members of the Ladies' Committee. There was a noteworthy increase in the cash receipts.

The grateful thanks of the Committee are due to Mrs. Paterson and all who assisted her in the organization of "Pound Day" in Hogsthorpe, which resulted in the collection of 144lbs. in kind, 21 eggs, and a large quantity of tinned and packet goods and fresh fruit.

**Egg Collection.**

The Annual Egg Collection from Schools, etc., in the District yielded 5152 eggs, as compared with 4685 in 1936. Details of the collection will be found on page 58. The hearty thanks of the Committee are accorded to Mrs. Foster, who once again organized the Collection, as well as to the many donors who replenished so effectively the Hospital's stock of this necessary commodity.

**Hospital Cup Competitions.**

Maintenance Account has benefitted this year by donations of £2/5/0 from the Skegness Hospital Cup Competition and £1/5/0 from the Scott Cup Competition, while the Skegness Hospital Thursday Cup Competition has contributed £2/2/0 to the Extensions Fund.

The direction of these Football Cup Competitions involves the Committee responsible for their control in the expenditure of much time and trouble, and their labours on the Hospital's behalf are deserving of our warm appreciation.

**Weekly Contributory Scheme.**

It is a pleasure to report that for the fifth successive year the receipts from weekly contributions show an increase, and the total for 1937, £346/13/8, is no less than £86/8/8½ in excess of that of the previous year.

The Committee controlling the Scheme are to be warmly congratulated on their efforts to enlarge the list of contributors, and thanks are especially due to Mr. Geo. Pickup, the Chairman of that Committee, and to its Hon. Secretary, Mr. Arthur Degg, who is indefatigable in his endeavours to "rope in" all eligible contributors. When Mr. Degg first assumed the Hon. Secretaryship in 1925 he found that the contributions for the previous year were £41/13/1. The figures disclosed for 1937 must be a source of intense satisfaction and justifiable pride to him, and, it is hoped, some reward for his unselfish and unremitting labours over a long period.

It should be remembered that participation in the Scheme is not necessarily confined to employees, and any person deemed eligible by the Committee may become a contributor. The benefits accruing from the Scheme are so palpably evident that no eligible person should hesitate to take advantage of them. Mr. Degg, whose address is 1, Sandbeck Avenue, Skegness, will be pleased to furnish full particulars to anyone anxious to become a contributor.

A weekly contribution of one penny ensures free Hospital maintenance and nursing, while wives and children of contributors are also eligible on payment of a like contribution.

The Weekly Contributory Scheme Committee are very grateful to Mrs. Watson for the free use of a room at the Tower Café for their Meetings.

A detailed list of the contributions for 1937 will be found on page 55 of this Report.

**Wainfleet Bed.** The total amount raised by Wainfleet supporters towards the £500 necessary for the endowment of a "Wainfleet Bed" is as follows:—

Acknowledged in previous Reports	£315	17	3
Received in 1937	...	...	...
	39	0	6
	<hr/>		
	£354	17	9

The Committee are particularly indebted to Mrs. T. R. Wilson for her organization of the Annual Dance, special efforts, and the collection of subscriptions in the Wainfleet district. In canvassing for subscriptions she has had the kind help of Mrs. Moody.

**Subscriptions  
under 7-year  
Covenants.**

The attention of annual subscribers is again directed to the substantial advantage accruing to the Hospital by their entering into a deed of covenant to pay their subscriptions over a period of seven years. Subscriptions so paid will secure the advantage of Income Tax rebate. The subscriber is not troubled to reclaim Income Tax on his subscription. This is done by the Hospital.

In this way a subscription of £1/1/0, with Income Tax at its current rate of 5/- in the £, becomes a subscription of £1/8/0, without any additional cost to the Subscriber.

The Secretary will be pleased to furnish any subscriber with a copy of the deed of covenant, or to give fuller details of the scheme personally to anyone desirous of further information regarding this method of augmenting the Hospital's revenue from subscriptions.

**Trust Deed.**

In August last a Special General Meeting of Subscribers was held, at which amended Rules relating to the Trustees of the Hospital were adopted. It was also resolved that a Trust Deed should be executed forthwith, and that Lloyds Bank, Ltd. should act as Trustee for the Hospital in substitution of the existing Trustees. This opportunity is taken of acknowledging with gratitude the past services of the retiring Trustees.

**Hospital Carnival.**

Mr. W. E. Butlin very generously organized a Hospital Carnival in aid of this Hospital in the early part of the summer. Unfortunately the heavy costs of production left no available surplus, but from street collections taken on the two days when street processions were features of the Carnival the handsome sum of £102/10/6 was raised.

**Refrigerator.**

The Hospital has long felt the need of a Refrigerator for the preservation of food-stuffs. This want has now been satisfied by the presentation by Mr. W. E. Butlin of a large Electrical Refrigerator of the latest type. The Committee are most grateful to Mr. Butlin for his thoughtful and magnificent gift, which is still another proof of his intense interest in the work done by this Hospital.

**Tin Foil, etc.**

Supporters are again reminded that revenue can be raised for the Hospital by the collection of Tinfoil, "Daily Mirror" and "Daily Sketch" tokens, Cigarette Cards and used stamps. The co-operation of the local Press in bringing this fact to the notice of the public is much appreciated.

**Thanks to Helpers, etc.**

The Committee are again indebted to Mr. Kenrick Morgan, A.S.A.A., and to Mr. William C. Howard for their services as Hon. Auditor and Hon. Solicitor respectively.

The Nursing Staff desire that Mr. Percy Cash (Skegness Pier) and Mr. Walter Fearn (Skegness Entertainments, Ltd.) should be warmly thanked for passes of admission to the places of amusements under their management.

The Earl of Scarbrough, through his agent, Mr. B. H. Foster, has very kindly continued to allow the use of his Estate Office for Committee Meetings.

The great help given by the proprietors of the "Skegness News" and the "Skegness Standard" by publicity through the medium of their columns for matters pertaining to the Hospital is readily acknowledged and valued.

Exigencies of space render it impossible, in this brief review of the year's working, to make individual reference to the many other generous friends of the Hospital, but the Committee are anxious that all should know that their help is keenly welcomed and appreciated, whatever form it may take, whether it be by the organization of Dances, Entertainments, Collection of Subscriptions, gifts in money or in kind, personal services and so on.

**Conclusion.**

Finally, while deeply grateful for the incentive and encouragement received from the increasing support of residents and visitors alike, the Committee feel bound to emphasize once more the need for still greater efforts on the part of a sympathetic and generous public, in order that an early start may be made on the building of that new and larger Hospital which the rapid expansion of Skegness and the surrounding district has rendered so imperative.
